

CIP 75

Chlorinated CIP Detergent

CIP 75 is a liquid, non-foaming, chlorinated CIP detergent useful on a wide variety of soils including juices, dairy, grease, blood and other difficult food soils. Cleans, destains and deodorizes most food processing equipment. This product is non-foaming, but can be combined with foam boosters for foam cleaning. Contains alkaline builders, water conditioners and sequestering agents, inorganic emulsifiers, and hypochlorite.

- **Economical Detergent**
- **Hard-Water Tolerant**
- **Contains Bleach**
- **Non-Foaming**

Usage Directions:
