

# EZ Strip #2

Viscous Oven & Grill Cleaner

EZ Strip #2's unique gelled consistency allows the product to be sprayed and will cling to vertical surfaces for extended contact time.

EZ Strip #2 is a super heavy duty oven and grill cleaner designed to remove the heaviest of soils; including baked-on carbon, grease, cooking oil and fat.

EZ Strip #2 is effective on ovens, grills, pots & pans, broilers, fryers, barbeques and other heavily soiled cooking surfaces.

- **Cuts Through Heavy Carbon, Grease & Burnt-On Cooking Oil**
- **Rinses Off With Ease**
- **Spray-Able Gel Formula for Easy Application and Extended Contact Time**
- **Low Odor Formulation**

**Usage Directions:** Shake well before use.

Dilute EZ Strip #2 in accordance with Dilution Guidelines chart. Apply solution to surface with sprayer, sponge, brush, or by soaking. Allow sufficient time for solution to penetrate the soils -- up to 30 minutes, but do not let solution dry. Some scrubbing may be necessary to remove stubborn soils. Rinse surface clean with potable water.

## Safety & Hazards

Wear Protective Eye Glasses and Chemical-Resistant Gloves While Using EZ Strip #2

**Consult SDS for Further Safety Precautions**

**DOT Shipping Name:** UN 3266, Corrosive Liquid, Basic, Inorganic, N.O.S., (Potassium Hydroxide), 8, PG II
