

# EZ Visc # 40

## Viscous Oven & Grill Cleaner

EZ Visc #40 is a viscous heavy duty oven and grill cleaner designed to remove the heaviest of soils; including baked-on carbon, grease, cooking oil, and fat. EZ Visc #40 is effective on ovens, grills, pots & pans, broilers, fryers, barbeques and other heavily soiled cooking surfaces. EZ Visc #40's unique gelled consistency allows the product to be sprayed and will cling to vertical surfaces for extended contact time.

- **Cuts Through Heavy Carbon, Grease & Burnt-On Cooking Oil**
- **Spray-Able Gel Formula for Easy Application and Extended Contact Time**
- **Rinses Off With Ease**
- **Low Odor Formulation**

**Usage Directions:** Dilute EZ Visc #40 in accordance with Dilution Guidelines chart. Apply solution to surface with sprayer, sponge, brush, or by soaking. Allow sufficient time for solution to penetrate the soils -- up to 30 minutes, but do not let solution dry. Some scrubbing may be necessary to remove stubborn soils. Rinse surface clean with fresh water.

### Safety & Hazards

Wear Protective Eye Glasses, Chemical-Resistant Gloves and Waterproof Apron While Using EZ Visc # 40

**Consult SDS for Further Safety Precautions**

**DOT Shipping Name:** UN 1814, Potassium hydroxide, solution, 8, PG II

### EZ Visc # 40

#### Dilution Guidelines

Usage	Dilution
Very Heavy Carbon, Grease & Oil	Do Not Dilute. Use As-Is.
Moderate Soils	24 - 64 Oz Per Gallon
Light Soils	10 - 12 Oz Per Gallon
