

Liquid Gleam

General Purpose Pot & Pan Detergent

Liquid Gleam is a high-foaming liquid detergent useful as a medium-duty detergent and foam enhancer. Liquid Gleam provides rapid penetration of a wide variety soils and is effective in hot or cold and soft or hard water. Methods of application include spray, sponge, brush and soak.

- **High Foam**
- **Removes Oils & Loosens Particulate Soils**
- **Easy Rinsing**
- **Economical Formulation**
- **Effective in Cold & Hard Water**

Usage Directions: Dilute Liquid Gleam in a separate container accordance with Dilution Guidelines chart. Rinse surface to be cleaned to remove any loose soils. Apply Liquid Gleam solution to entire surface with sprayer, sponge, or brush. For best results start at the bottom of the surface and work up to the top. Allow solution to penetrate caked on soils. Some scrubbing may be necessary to remove all soils. Rinse surface from top to bottom with fresh water. Flood food contact surfaces with MG-4 Quat Fifth-Generation Quaternary Sanitizer.
