

MG Foam-Add

Neutral All-Purpose Cleaner & Foam Booster

MG Foam-Add can be used on its own as a neutral all-purpose cleaner, or mixed with either acid or caustic and used as a cleaning performance enhancer and foaming agent. MG Foam-Add provides rapid penetration of a wide variety of soils and is effective in hot or cold and soft or hard water. Methods of application include foaming, sponge, brush and soak.

- **General Purpose Cleaner**
- **Compatible with Acid & Caustic**
- **Easy Rinsing**
- **USDA & Kosher Approved**
- **Effective in Cold & Hard Water**
- **Neutral pH**

Usage Directions: MG Foam-Add will provide enhanced foaming and cleaning to diluted Alkali or Acidic cleaners. Add 1 to 2 ounces of MG Foam-Add to a gallon of diluted cleaner. MG Foam-Add can be used as Neutral APC for floors, walls, or any washable surfaces. Apply with sprayer, sponge or mop.
