

MG Wash & Wax

Premium Vehicle Washing Detergent w/ Synthetic Wax

MG Wash & Wax cleans and shines the exterior of automotive surfaces in a single-step application. Its unique blend of high-foaming wetting agents, emulsifiers, water conditioning agents and synthetic waxes removes soils typically found on vehicles including bugs, oil and road film while leaving behind a refreshing aroma and glossy surface. MG Wash & Wax is effective in hard water and is safe for use on all painted surfaces, polished aluminum and glass.

- **Eco-Friendly**
- **Removes Bugs, Oil & Road Film**
- **Rinses Easily**
- **Phosphate Free**
- **Leaves a Glossy Surface**
- **Safe for Exterior Automotive Surfaces**

Usage Directions: Dilute MG Wash & Wax in a separate container accordance with Dilution Guidelines chart. Rinse surface to be cleaned with fresh water to remove any loose soils. Apply MG Wash & Wax solution to entire surface with foam apparatus, sprayer, sponge, or brush. For best results start at the bottom of the vehicle and work up to the top. Allow solution to penetrate caked on soils. Some scrubbing may be necessary to remove all soils. Rinse surface from top to bottom with fresh water. Dry. Apply Ultra ShineTire Dressing to applicable surfaces to enhance vehicle appearance.

Safety & Hazards
