

Power 99 RTU

Medium-Duty Degreaser

Power 99 RTU is a moderately foaming multi-purpose liquid degreaser. Power 99 RTU works well at saponifying and emulsifying oils and fatty soils typically found in all areas of meat processing plants and restaurants including equipment, floors, walls and utensils. This product can also be used to remove petroleum oil and inorganic soils. Power 99 RTU contains a proprietary blend of foaming wetting agents, emulsifiers, water-soluble solvents and water conditioning agents. This product does not contain caustic and is safe for all washable surfaces. Power 99 RTU is effective in cold water.

- **Moderate Foam**
- **Removes Oils, Grease & Fat**
- **USDA & Kosher Approved**
- **Alkaline Detergent with Solvent**
- **Effective in Hard Water**
- **Easy Rinsing**

Usage Directions: Dilute Power 99 RTU in a separate container accordance with Dilution Guidelines chart. For best results, dilute with 140°F water. Rinse surface to be cleaned to remove any loose soils. Apply Power 99 RTU solution to entire surface with foam apparatus, sprayer, sponge, or brush. For best results start at the bottom of the surface and work up to the top. Allow solution to penetrate caked on soils. Some scrubbing may be necessary to remove all soils. Rinse surface from top to bottom with fresh water. Flood food contact surfaces with MG 4-Quat fifth-generation quaternary sanitizer. Power 99 RTU can also be used in floor scrubbers and high or low-pressure spray units.

Safety & Hazards

Wear Protective Eye Glasses and Chemical-Resistant Gloves While Using Power 99 RTU

Consult SDS for Further Safety Precautions
